

WE MANUFACTURE PINS

yalisun

# About us

Yalisun was established in 2000 with the aim of producing various parts such as pins, bushings, hydraulic blocks for sectors such as construction machinery, concrete pumps, cranes, asphalt rollers and road sweeping machines.

Yalisun, exports 100% of its products to European countries and is the leader of its sector in the field of OEM supply.

Yalisun; It has the ability to perform many processes such as cutting, machining, heat treatment, grinding, welded manufacturing, semi-assembly and coating within its own facilities.

As per the quality policy of our company, it monitors all processes from raw material entry to finished products 100% traceability with SAP Barcode system.

We are making our largest contribution to environment for a sustainable world. Now, our factory is solar powered, the purest and cleanest form of investment to nature.

Indoor Space Area  
**4.800 m<sup>2</sup>**

Outdoor Space Area  
**10.600 m<sup>2</sup>**

- Be a reputable position in its business activity.
- Be a leading position in OEM suppliers.
- Be a leading position for the production of the parts, mainly pins.
- Giving the necessary importance for environment and business ethics
- Honest behavior for all workers
- Human first

# Our— Vision

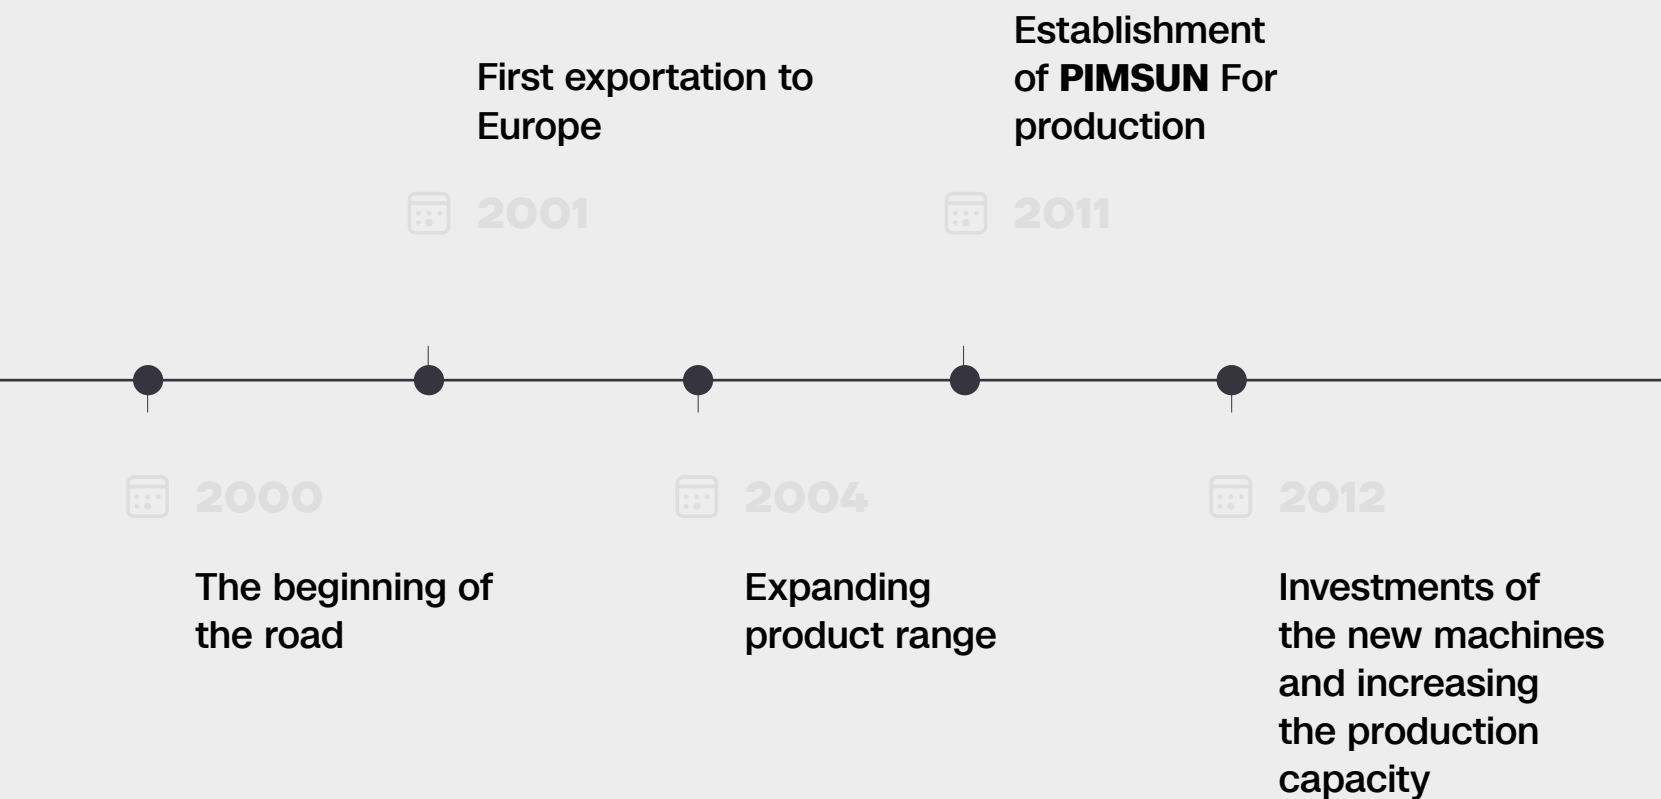

# Our— **Mission**

- Giving the necessary importance for the requirement of quality, environment, health and safety.
- Giving the necessary importance for the customers' satisfaction.
- Following the international laws and regulations.
- Following the creation of the corporate culture and a sustainable success on the basis of generations.

Establishment of  
**GALVASUN** for  
galvanized coating +  
**PIMSUN** Moved to a  
larger factory

 2014

The new facility  
investment in  
Başkent OSB with  
2.500 m<sup>2</sup> closed  
area

 2017

Land investment  
Total open area  
increased up  
to 10.600m<sup>2</sup>  
Possibility to build  
2400 m<sup>2</sup> more  
closed area

 2021

 2015

Supplying different  
parts for the  
different customers

 2019

Extended the  
closed area up  
to 4,800 m<sup>2</sup> and  
invested new  
CNC machines +  
Establishment of

# Export— Countries

## Warehouse in Germany— **Munich 300 m<sup>2</sup>**

Safety stocks options due to our customer's needs.  
Fast delivery to any European Countries.

# Product— **Range**

— ASPHALT ROLLERS PINS

— EXCAVATORS AND DUMPERS BUCKET PINS

— CRANES BUCKET PINS & BUSHING

— CONCRETE & BOOM PUMPS PINS

— SWEEPER PINS

— HYDRAULIC BLOCKS

— FLANGES

## Depending on **customer needs,**

- Machined Parts
- Welded Parts
- Ready to Assemble Parts
- Sub System Assembled Parts

Parts for  
Asphalt Rollers

Hydraulic  
Blocks

Flanges

Before machining process, parts are cut in required sizes.

## Saw— Cutting

PRODU

# Machining

According to customer technical data, planned parts are machined on CNC lathes and vertical milling machines with required precision. We have centered / centerless grinding machine capability.

Heat treatment is carried out in medium frequency benches according to customers requirements.

# Heat— Treatment

---

# Welding

Welding is carried out according to MIG and TIG technical specs.

Different coating processes can be applied according to customers requirements.

# Coating & Paint

## Coating & Paint Process

- Cataphoresis
- Wet Paint
- Electrochemical Zinc Plating (IN-HOUSE)
- Powder Paint
- Arcor
- Geomet
- Phosphating Coating
- Chrome Plating

## GALVASUN

# Electrochemical Zinc Plating

GALVASUN was founded in 2014 by Mr. Mirza EGELI, Mr. Burak EGELI and Mrs. Yılgör EGELI.

GALVASUN invested a new fully automated facility in 2021 at Başkent Organized Zone and expanded its production capacity to 250 tons per month.

Automation pool sizes:

Length	→ 3 m
Width	→ 0.7 m
Depth	→ 1 m

# Packaging & Stocking

# Quality Assurance

Making the necessary quality controls of all the parts we produce and delivering them to our customers without any problems.

Time improve ourselves with the philosophy of continuous customer satisfaction.

To provide better service by following the developing world and technology.

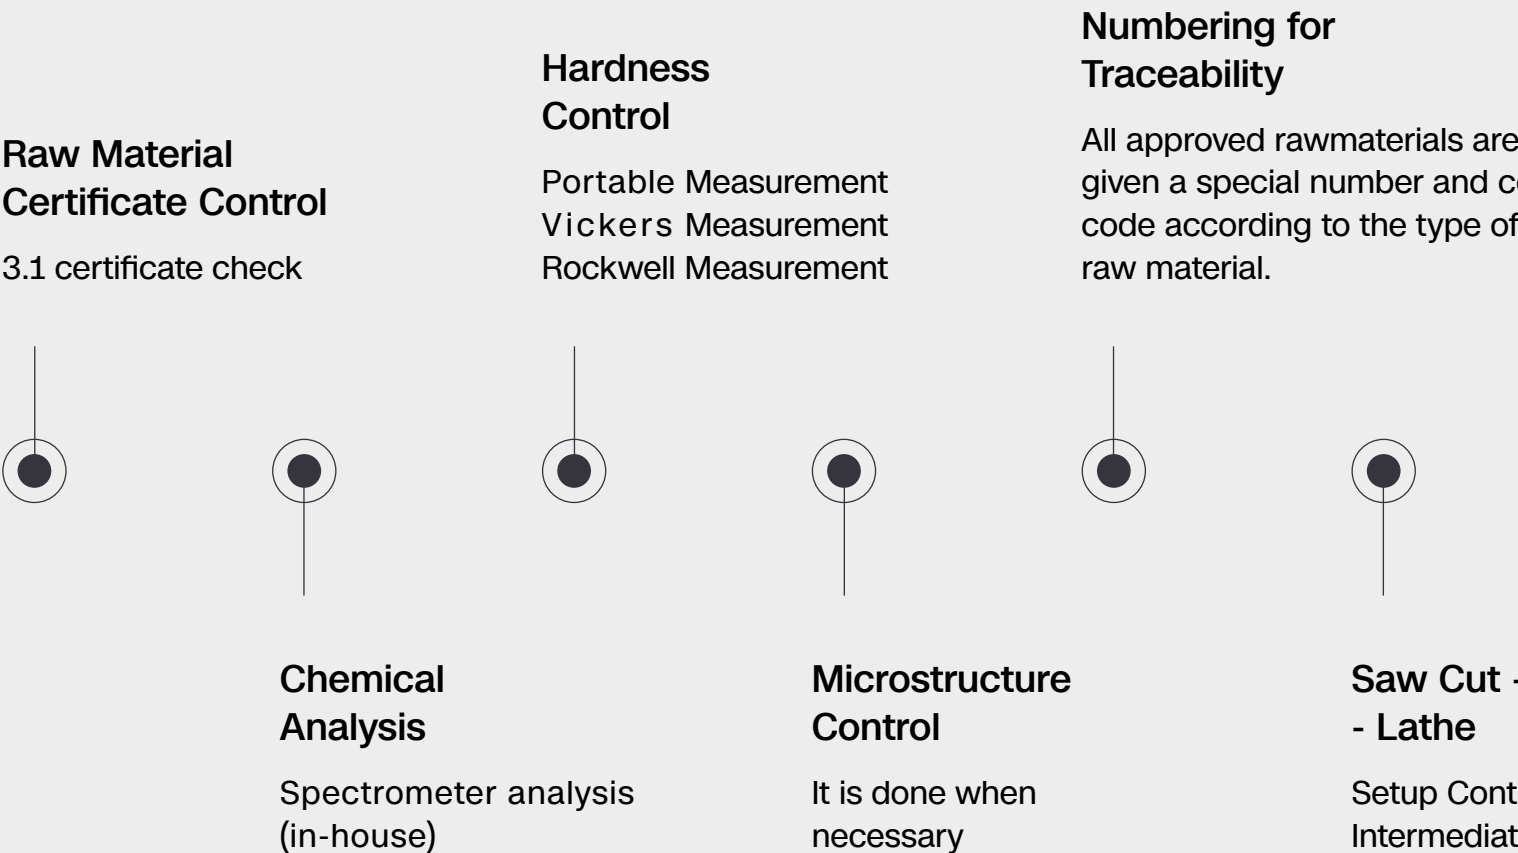

## Yalisun has certified:

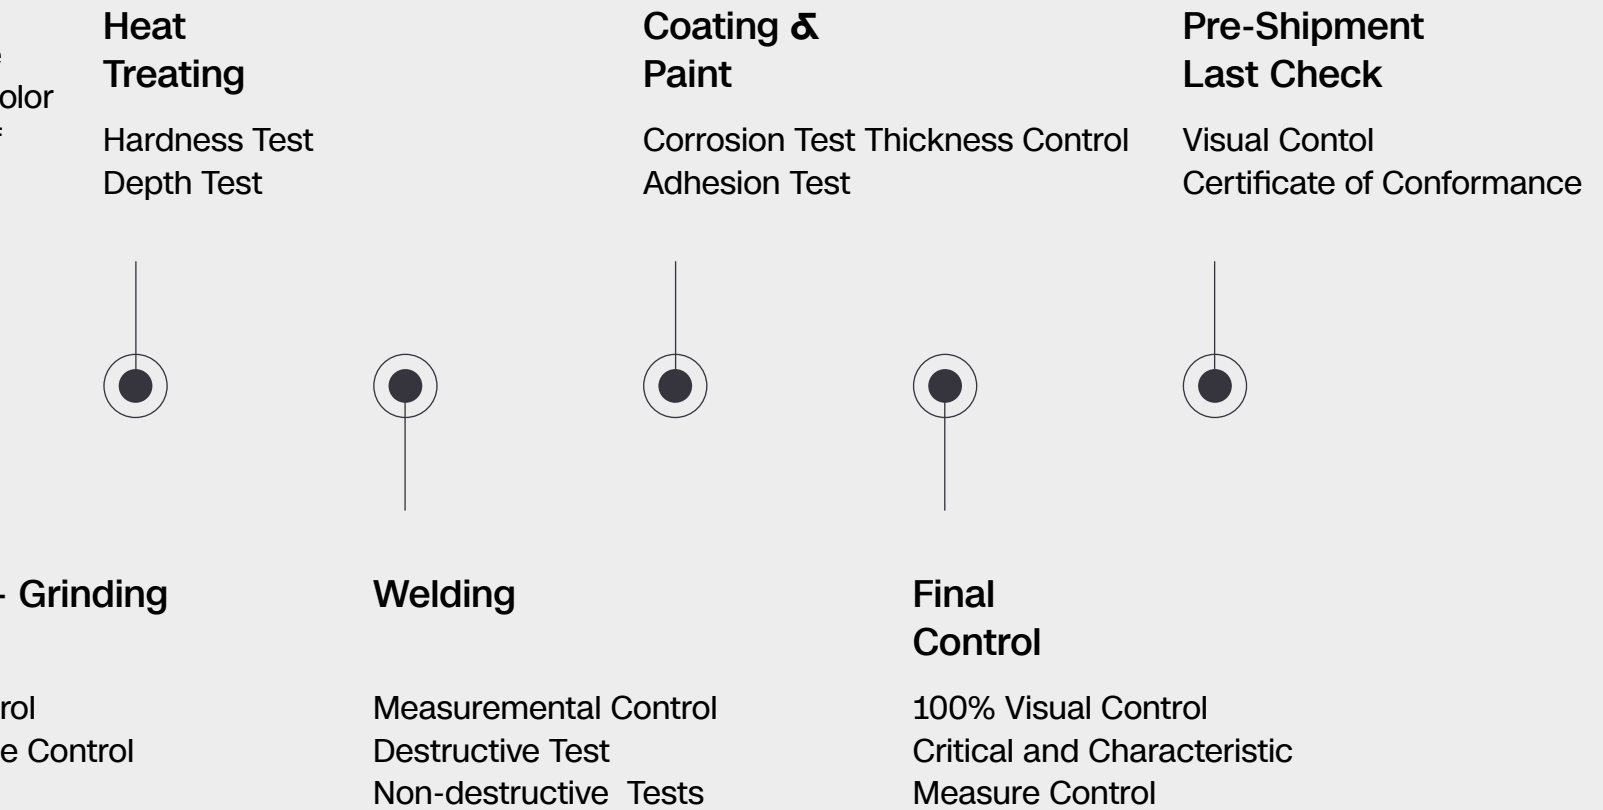

ISO 9001:2015      Quality Management System

ISO 14001:2015      Environmental Management System

ISO 45001:2018      Occupational Health and Safety Management System

All parts produced in **YALISUN / PİMSUN**; is secured in all processes from raw material to shipment.

# Insurance Policy

							
<b>PRODUCT LIABILITY INSURANCE POLICY</b>							
AGENCY NO	109155						
POLICY NO	5652200000119

Net premium	6.200,00 EUR						
Tax (% 5)	310,00 EUR						
Gross Premium	6.510,00 EUR						
<b>SPECIAL CONDITIONS :</b> 1. It is hereby agreed that if any payment is made to the insurer under the scope of the policy in respect of a claim, indemnity will be paid by insurer in TL equivalent of EUR converted at the selling exchange rate of Central Bank of Turkey on the payment date. 2. Turkish Law & Jurisdiction only; The parties hereto agree that all actions or proceedings arising in connection with this agreement shall be tied and litigated exclusively in the Turkish courts in accordance with Turkish Law & Jurisdiction. 3. "Claims Made Basis"							

**Directors &  
Officers Liability**

The cover has been provided subject to "claims made" basis where the losses are occurring during the policy period and being reported within the policy period.

4. Any reverse condition within the attached Swiss Re Public and Product Liability wording will be replaced by Claims Made basis condition.

5. Retroactive date is issued date of the policy

6. In case of a dispute between Swiss Re's "Public & Products Liability Wording" and Turkish Insurance General Conditions in respect of Third Party Liability Insurance, then Turkish General Conditions of Third Party Liability Insurance shall prevail.

7. "Cost Inclusive Clause"

This Agreement provides indemnity to the insured in respect of any demand, claim or proceeding made or brought within the legal jurisdiction of Turkey on the basis that the limit of indemnity provided by an original policy comprises the Insured's maximum liability inclusive of all damages, compensation, interest, costs, expenses and payments of whatsoever nature, or so deemed." In other words, this clause means that the limit of indemnity is the maximal amount that the insurer is going to pay for a loss and includes all additional expenses (for example for lawyers etc).

8. "Claims Series Clause":

A Claim series event as defined below shall be deemed to be one occurrence and the date of loss shall be the date when first claim of the claims series event is made writing against the Insured. A claims series event shall be defined as follows:

- all claims for losses which are different consequences or results of one negligent act, error or omission. It is deemed to be one negligent act, error or omission if more than one act omitted or committed was due to the same or similar cause or source provided the respective matters were legally or financially connected,
- more than one act omitted or committed resulting in the same loss; and/or
- one claim made against more than one liable person insured under one policy.

9. Claim Notification Clause.

10. Sanctions Clause:

"No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or pay any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America, or any of its states."

11. Rights of recourse will be maintained by the insurer.

12. Warranted that all statutory and regulatory obligations or requirements imposed by any authority in the territorial limit for the manufacture, sale or distribution of the products covered hereunder are complied with.

13. This policy has been issued subject to the warranty that there are no known or reported losses nor any circumstances that could give rise to a loss at the date of inception, in breach of which this contract shall be void ab initio.

14. This policy shall only be valid upon the submission of the complete dated and signed proposal form.

**EXCLUSIONS** :

1. The losses which shall be covered by another policy of the insured are excluded.
2. Claims related to or resulting out of Employers Liability , Workers Compensation, Occupational Diseases and Employment Practises are excluded.

Product Liability

3. Claims related to or resulting out of D&O, Third Party Liability, Professional Indemnity, E&O and Motor are excluded.
4. Any kind of guarantee, recall, repair, replacing, design errors, costs and expenses in respect of redesigning, research costs and expenses in respect of and product guarantee, product integrity impairment and product tampering are excluded.
5. War, Strike, Riots, Civil Commotion, Malicious Act, Terrorism, Rebellion are excluded.
